

Object Name	RA	DEC	z	Surveys	2022 r-band mag	2022 r-band flux	Flux Comments	SDSS Obs Date	Airmass	Comments on Object
J0742+2704	115.701796	27.070113	0.6264	SDSS, WISE	18.51966015	1.10E-16		12/10/2002		
J0742+2704 (2)	115.701796	27.070113	0.6264	SDSS, WISE	18.51966015	1.10E-16		12/10/2002		Mods1b looks strange, more flat than mods2b, where the slope seems to be correct. This observation of J0742 has not been completed.
J0751+3154	117.877557	31.904037	1.864	SDSS, WISE	19.99161031	2.83E-17		11/5/2002	1.12	
J0800+3124	120.044683	31.415871	1.9368	SDSS, WISE	18.74744607	8.91E-17		1/2/2003	1	
J0807+2102	121.76797	21.035786	1.5588	SDSS, WISE	19.78655324	5.78E-17	Note - magnitude	11/21/2004	1.02	
J0832+2302	128.198513	23.042816	0.943	SDSS, WISE	19.81539792	3.33E-17		2/8/2011	1.055	
J0950+5128	147.653173	51.477212	0.2142	SDSS	19.03231618	1.16E-16	Note - magnitude	1/20/2015	1.075	
J1037-0736	159.491631	-7.607362	~1.07	WISE	18.19585031	1.48E-16		N/A		This object is not fluxed nor atmospheric corrected, as we do not have SDSS data for it.
J1246+1805	191.51827	18.089036	~(1.84)	WISE	19.54710231	4.26E-17		N/A		This object is not fluxed nor atmospheric corrected, as we do not have SDSS data for it.
J1447+0512	221.81758	5.207433	1.7475	SDSS, WISE	19.94169264	2.96E-17		5/4/2005	1.355	
J1514+4000	228.52073	40.013724	2.1226	SDSS	19.52696463	4.34E-17		4/7/2003	1.01	
J1603+1809	240.828155	18.151432	3.246	SDSS	19.62536364	3.97E-17		5/22/2010	1.12	
J2109-0644	317.320264	-6.743461	1.0812	SDSS	18.03930399	1.71E-16		6/21/2001		Some unknown issues with this object - should be redone from the start.
J1204+1918	181.218737	19.306199	2.344	SDSS	19.55840192	4.22E-17		3/31/2012		This object looks very close to being correct, but the standard star we used for calibration did not go through a dichroic. Needs to be rerun with a different standard star.
J1208+4741	182.241352	47.698944	1.0915	SDSS, WISE	19.97753847	2.87E-17		5/18/2015		This object looks very close to being correct, but the standard star we used for calibration did not go through a dichroic. Needs to be rerun with a different standard star.
